Under Article 2 of the foregoing warrant we would suggest that the sum of one thousand dollars be raised, the amount which was raised last year has been inadequate to meet the necessary expenses, the amount paid for town poor being nearly seven hundred dollars, and must far exceed the amount usually raised during the coming year.

Tamworth, February 12, 1913.

Treasurer's Report, February 15, 1913.

The following errors have appeared in the 1910 accounts:

March, 1912, notice was received from the Rochester National Bank that a note for \$1,000, dated August 27, 1910, on six months' time, with an accrued interest of \$51.11, remained unpaid. Investigation proved that it was an oversight, and that additional liabilities of \$1,051.11 and (additional) cash assets of \$1,000 existed, and should have appeared in the 1910 and subsequent reports. Corrected from the above.

The (net) indebtedness February 15, 1912 was \$9,860.97 February 15, 1913.

LETTER.

NEW HAMPSHIRE DEPARTMENT OF PUBLIC INSTRUCTION.

Division of Statistics and Accounts.

Concord, N. H., Jan. 2, 1918.

To School Boards and Superintendents:

The attention of school officers is called to an amendment to the Public Statutes by the last General Court.

"The fiscal year of town and special school districts beginning February 16, 1917, shall end August 31, 1918, and thereafter the fiscal and the scholastic year shall end August 31, annually."

This change was approved by the Governor on April 4, 1917. Practically all school meetings had been held and in few instances would the appropriations be sufficient to carry on the schools for the extra six months. Your attention is called to this matter so that there may be sufficient appropriations made at the coming school meetings to support the schools until August, 1919.

SCHOOL MEETING.

It is advised that the report of the school board concerning conditions of schools of the district be made to the district at the annual school meeting. This may well include a report of the finances to date of meeting but it is to be noted that as the year does not close until August 31, the annual financial report cannot be made before that date.

This annual financial report should be presented at the school meeting of 1919.

HARRIET L. HUNTRESS,
*Deputy State Superintendent
in Charge of Division.*
